

**Subpart C—Public Participation
and Comment**

§ 1031.16 Purpose and scope.

(a) This subpart sets forth the Consumer Product Safety Commission's criteria and requirements governing public review and comment on staff involvement in the activities of voluntary standards development bodies.

(b) The Commission realizes there are advantages and benefits afforded by greater public awareness of staff involvement in standards development activities. Furthermore, the Commission recognizes public comment and input as an important part of the voluntary standards development process.

(c) The purpose of this subpart is to further the objectives and programs of the Commission and to do so in a manner that ensures openness and transparency.

§ 1031.17 Background.

(a) In a FEDERAL REGISTER Notice (Vol. 69, No. 200) dated October 18, 2004, the CPSC announced that it was launching a pilot program to open CPSC staff activities for public review and comment. The pilot program covered information on CPSC staff participation with respect to a cross-section of voluntary standards, including advance notice of proposed staff positions on issues to be considered by voluntary standards organizations. The program was based on the premise that increased public awareness and participation would enhance the quality and conclusions of the proposed recommendations made by CPSC staff.

(b) The pilot program ended on April 18, 2005, after a 6-month period. CPSC invited general comments on whether to continue the programs beyond the pilot period and solicited suggestions for improving the program.

(c) On July 28, 2005, the CPSC staff submitted to the Commission an assessment of the pilot program's results, including data that indicated the voluntary standards site ranked among the top 20 directories visited on the CPSC Web site. Further, the report included the staff's recommendation that the voluntary standards Web site be expanded to include information on all standards activities.

(d) On August 4, 2005, in accordance with the staff's recommendation, the Commission voted unanimously to continue the voluntary standards program and expand it to include all voluntary standards activities.

§ 1031.18 Method of review and comment.

(a) Each of the voluntary standards activities in which Commission staff is involved shall have a unique Web link on the Commission Web site with relevant information regarding CPSC activity, including:

(1) The name(s) of CPSC staff working on the activity; and

(2) The e-mail and mailing addresses of the CPSC Office of the Secretary, to which any interested party may communicate their particular interest.

(b) E-mail and written comments on voluntary standards from the public to the CPSC shall be managed by the Office of the Secretary. Such communication shall be forwarded to appropriate staff for consideration and/or response.

(c) On the voluntary standards Web site, consumers shall have the opportunity to register for periodic e-mail notices from the Commission with respect to their standard of interest. Such notices shall be issued by the CPSC each time a voluntary standard site has been updated and no less than once every calendar year.
